Previous Submit

- ④ Confirm the user agreement and register detail then click confirm

The screenshot displays a registration form titled "Apply live account" with a modal dialog box titled "User agreement and risk disclosure". The dialog box contains the following text: "Margin FX and CFD trading involve high risk and may not be suitable for all investors. You should carefully consider your investment objectives, financial situation, investment needs and trading experience before deciding to buy or sell. Therefore, you should not use capital that cannot withstand losses for speculation. Therefore, please ensure that you fully understand the risks involved and seek independent advice if necessary." Below the text is a blue "Confirm" button. The background form includes fields for "Residential Address and Suburb", "State or Province", "Countries and Regions" (set to China), "Email", "Name of Account", "Australian bank account please enter BSB Number", "Name of Bank", "ID Type", "ID Photo Front", "ID Photo Back", "Proof of Residence" (with sub-fields for Address A, Address B, and Credit/Debit Card Front/Back), "Phone", and "ID Number". At the bottom of the form, there is a checked checkbox with the text "I have read and understood the information including in User Agreement and Risk Disclosure and I want to sign up for a new real account." Below this checkbox are three buttons: "Confirm", "Modify", and "Print".

- ⑤ After submitted the documents, our company will start to evaluate the client whether he qualified for a trading account

**Additional comments: All the image of register guide is from the screenshot of our website. It could prove our website is totally live**
